DOCKET NO. 2019-2-E

In re: Annual Review of Base Rates for Fuel Costs for South Carolina Electric & Gas Company	) ) ) ) ) ) )	<b>MOTION REQUESTING EXTENSION                  TO FILE TESTIMONY IN ORDER TO                  RESOLVE OUTSTANDING                  CONCERNS REGARDING                  CONFIDENTIAL INFORMATION</b>
---	---------------------------------	--

Intervenors South Carolina Coastal Conservation League (“CCL”) and Southern Alliance for Clean Energy (“SACE”) hereby move for a one day extension of the Commission’s deadline to prefile testimony. CCL and SACE intend to file testimony containing confidential information obtained pursuant to a nondisclosure agreement between them and the South Carolina Electric & Gas Company (the “Company”). CCL and SACE have prepared a redacted, public version of this testimony and shared it with the Company for review. In order to give the Company adequate time for this review, however, CCL and SACE request – and the Company does not oppose – a one day extension, which will allow the Company sufficient time to determine whether any information not currently redacted in the proposed public version needs additional protective treatment

WHEREFORE, CCL and SACE respectfully request that this motion be granted.

This 19<sup>th</sup> day of March, 2019.
